### Graphic Designer

Dedan kimathi school of technology

Jan 2021 - Jan 2024

Professional Web Designer with four years of experience crafting visually appealing and highly functional websites. Proficient in HTML, CSS, JavaScript, and responsive design principles, I specialize in creating user-friendly interfaces that enhance user experience and engagement. My portfolio includes a diverse range of projects from sleek corporate websites to dynamic e-commerce platforms. I excel at understanding client needs and translating them into compelling digital solutions that drive traffic and conversions. Committed to staying updated with the latest web design trends and technologies, I bring a blend of creativity and technical expertise to every project.

### Graphic Designer

Dedan kimathi school of technology

Jan 2020 - Dec 2024

Experienced Graphic Designer with four years of expertise in creating visually impactful designs that communicate brand messages effectively. Skilled in Adobe Creative Suite, including Photoshop, Illustrator, and InDesign, I produce high-quality graphics for various media, including print, digital, and social platforms. My work spans logo design, marketing materials, infographics, and promotional content, all tailored to enhance brand identity and engagement. With a keen eye for detail and a passion for innovative design, I consistently deliver creative solutions that meet client objectives and resonate with target audiences. Dedicated to producing visually stunning work that stands out.
